## **Anna Abrimian**

Psychology & Chemistry Major

Honors: Honors College, Psi Chi, Phi Beta Kappa, Honors Thesis,  
Noelle Skrobola Outstanding Research Scholar Award

Favorite memory: Being a part of the ERP Lab and  
presenting at EPA!

## **Gianna Agnello**

Elementary Education & Psychology Major  
Specialization in Developmental Psychology

Favorite memory: One of my favorite memories of TCNJ was  
working in the Cognitive Development Lab. I loved working  
with my friends, Dr. Stahl, and the families in the lab!

## Kathleen Augustin

Elementary Education & Psychology Major

Favorite memory: Getting to take all of my courses with my best friend Kailey!

## Ralph Betancourt

Psychology Major

Favorite memory: My favorite memories as a psych major are definitely from all the fun and lighthearted times I've had with Dr. Feiring and the student researchers from the Romantic Relationships Research Lab. The class was very educating, and the team-building experience was truly wholesome.

## Kavita Bhavsar

Psychology Major | Specialization in Clinical/Counseling  
Biology Minor

Favorite memory: Participating in Lab  
Olympics!

## Jenesys Bourdier

Psychology Major | Specialization in Developmental Psychology  
Communication Disorders and Deaf Studies Minor

Favorite memory: I will truly miss being a part of the TCNJ Psychology department and am so incredibly grateful for the opportunities, knowledge, and support it has provided for me. I am grateful to have had such amazing professors like Dr. Chung, Dr. Ruddy, and Dr. Kirnan. Dr. Chung taught me how to think critically and analytically while Dr. Kirnan has encouraged me to think abstractly and not to be afraid to share my ideas. My favorite memory was getting to be a part of Dr. Ruddy's research lab because I was able to research Deaf representation in children's literature.

## **Annmarie Brown**

Special Education & Psychology Major

Specialization in Developmental Psychology | Mathematics Concentration

Honors: Kappa Delta Pi, Psi Chi

Favorite memory: I absolutely loved so many of my Psychology professors such as, Dr. Ruddy and Dr. Chung! I am so grateful to have learned so much and to enjoy all of these classes with my best friend, Veronika Kupec!

## **Danielle Brown**

Elementary Education & Psychology major

Honors: Kappa Delta Pi

Favorite memory: I have made a lot of great friends through my psychology courses and enjoyed my time spent in class with my professors. The TCNJ psychology department is filled with knowledgeable, understanding, and brilliant faculty that made my college experience enjoyable and enriching. I will always remember my professors and their hard work and dedication they put toward the students! Thank you all so much :) Your love for psychology has certainly passed onto me.

## Jillian Brueckner

Psychology Major | Specialization in Biopsychology

**Favorite memory:** I have been a part of two amazing research labs here at TCNJ. I have been a lab member of the ERP lab for five semesters, which has taught me a wide-range of skills and has prepared me for my graduate studies. I am grateful for Dr. Leynes for teaching me so much and the memories I have from his lab. I have also been a part of Dr. Vivona's Psychodynamic lab for two semesters. Dr. Vivona has pushed me to do my best work, constantly encouraging me to think abstractly and to not be afraid to share my ideas. She is definitely one of the main reasons I have survived my (virtual) Senior year, and for that I am grateful!

## Jamie Francesca Buono

Psychology Major | Criminology Minor

**Favorite memory:** My favorite memory is being a part of Dr. Feiring's Romantic Relationships Research Lab. I loved working with the other lab members and Dr. Feiring and I gained value skills that will help me in my future career! I'm going to miss all of the great professors I've had and the friends I've met through my major!

## Mia Carlson

Psychology Major | Pre-medical track

Favorite memory: My favorite memory related to #TCNJPsychology is being a part of Dr. Martinetti's lab for two semesters and getting to take two courses with Dr. Ruddy and have her as my faculty advisor for my PSY499 internship this semester!!

## Bipasha Chatterjee

Psychology Major | Specialization in Clinical/Counseling  
Public Health Minor

Favorite memory: Working in the COP Lab with Dr. Borders and during my internship with Dr. Chung were such rewarding experiences! I also loved my classes with Dr. Zamel and Dr. Herres, and I'm so grateful for the knowledge, compassion & support all of these professors gave in my time at TCNJ.

## Cassondra Culmone

Psychology Major | Communication Disorders Minor

Favorite memory: My favorite memory was being a part of Dr. Vivona's lab!

## Mallery Davis-Swing

Psychology Major | Law, Politics, & Philosophy Minor

Honors: Honors College, Phi Beta Kappa, Psi Chi, ODK, Honors Thesis

Favorite memory: My favorite #TCNJPsychology memory has to be the last lab bonding I had with the Reactivity Lab! We ended up at Firkin Tavern after being rejected from Sloc's due to it being booked up by a bowling league. Definitely a fun time. I will miss all my lab members!

## **Gabriella DeVito**

Psychology Major | Spanish Minor

Favorite professor: I love Dr. Vivona!

## **Kailey Fitzgerald**

Elementary Education & Psychology Major

Favorite memory: Getting to take all of my classes with my best friend Kate!

## Kelly Flood

Psychology Major | Specialization in Clinical/Counseling  
Marketing Minor

Favorite professor: I will miss Professor Terrence Lynn, whom I had for multiple psychology classes during my time at TCNJ. His ability to successfully teach the course content, while also connecting with us on a personal level as students and human beings, is something I am grateful to have experienced.

## Caitlyn Flynn

Psychology Major | Specialization in Clinical/Counseling |  
Criminology Minor

Favorite memory: Lab Olympics

## Isabella Fuca

Elementary Education & Psychology Major  
Returning in fall to get M.S. in Special Education

Favorite professor: Dr. Stahl !

## Dylan T. Gurgurich

Elementary Education & Psychology Major

Favorite memory: I miss being in the Political Psych lab with Dr. Crawford!! He always kept things light and fun and I appreciate his patience.

## Arianna Hoffman

Psychology Major | Specialization in Clinical/Counseling

Honors: Psi Chi, ODK, Phi Kappa Phi member, Leadershape participant,  
Community College Transfer Scholarship, NJ STARS II grant recipient.

**Favorite memory:** My favorite memory as a psychology major was working with Dr. Chung for two course-credit internships and a semester in her lab. Her support validated my goals and encouraged me to seize every opportunity and make the most of it. Dr. Chung helped me realize my potential and feel like I belong in the department despite being a transfer student with a limited amount of time at TCNJ. I can't say enough how much I appreciate working so closely with her this past year!

## Brianna Hughes

Psychology Major | Specialization in Clinical/Counseling |  
Fine Art Minor

**Favorite memory:** My favorite memories within the psychology department are the three courses I was able to take with Dr. Vivona including her Psychodynamic Research Lab. As well having been able to intern at SERV Behavioral Health System working with adults with chronic severe mental illnesses. I am beyond grateful for all that I have learned and all the opportunities I have had through TCNJ's Psychology Department.

## Nicki Jariwala

Psychology Major | Specialization in Developmental Psychology  
Chemistry Minor / Pre-Medical Track

Honors: Psi Chi, Phi Beta Kappa, TCNJ Honors College, & Recipient of the  
Phi Kappa Phi research award

Favorite memory: My favorite memory was when I found out  
that my research through Dr. Stahl's Cognitive Development  
Lab got accepted for a poster presentation in Scotland!

## Natalie Johnson

Psychology Major | Specialization in Industrial-Organizational  
Human Resources & Management Minors

Favorite memory: I will miss being a part of the TCNJ Psychology  
community, and I am forever grateful all the opportunities that it  
has provided me! I will especially miss the support system I  
found within my advisor, my professors & my peers.

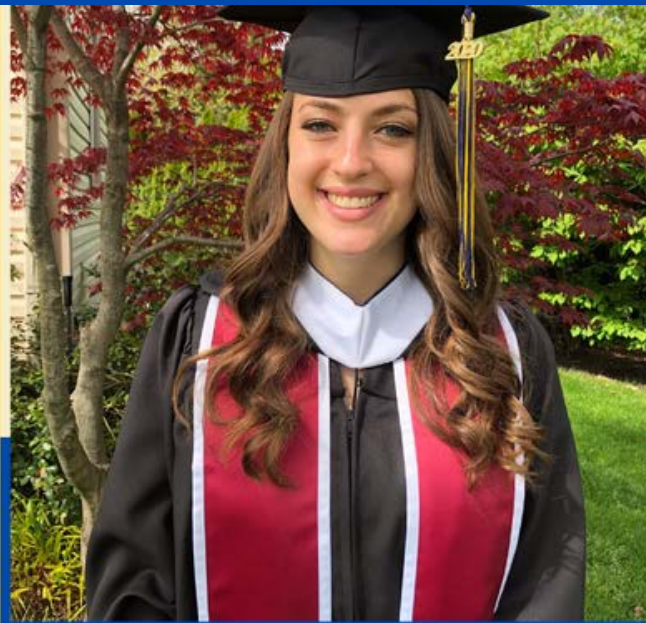

## Nadeen Kamel

Psychology Major | Specialization in Biopsychology

Favorite memory: My favorite memory as a Psychology student is when Dr. Barnhart would sing for us before our PSY 101 exams to ease our nerves. He is the best!! I will definitely miss the love and kindness the Psychology professors showed to their students.

## Marlee Kaplan

Psychology Major  
Communication Disorders & Deaf Studies Minor

Favorite memory: Being apart of the COP lab with Dr. Borders

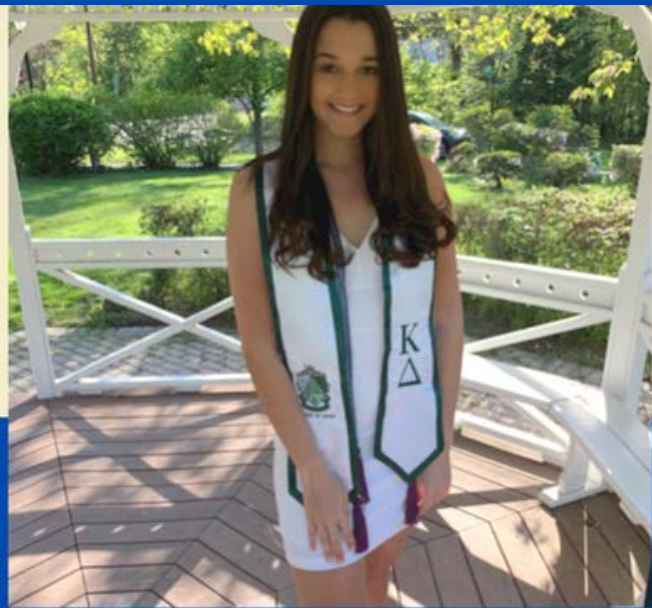

## Claire Kramer

Psychology Major | Specialization in Industrial/Organizational  
Management Minor

Favorite memory: I loved working in Dr.  
Dahling's lab!

## Veronika Kupec

Special Education & Psychology Major  
Specialization in Clinical/Counseling | Honors: Kappa Delta Pi, Psi Chi

Favorite memory: There are too many amazing professors  
and classes I took to even pick a favorite! One thing I will miss  
the most is being able to take classes with my best friend,  
Annmarie!

## Karlie Lombardi

Special Education & Psychology Major  
Specialization in Developmental Psychology

**Favorite memory:** My favorite memory was choreographing a dance with my roommate in Dr. Herres's PSY 203 class to represent a positive correlation! It surprised everyone and we had so much fun! My favorite experience was being an Instructional Intern for Dr. Chung. It was a great way to connect with a professor on a different level and I got to work with one of my favorite professors for a third semester!

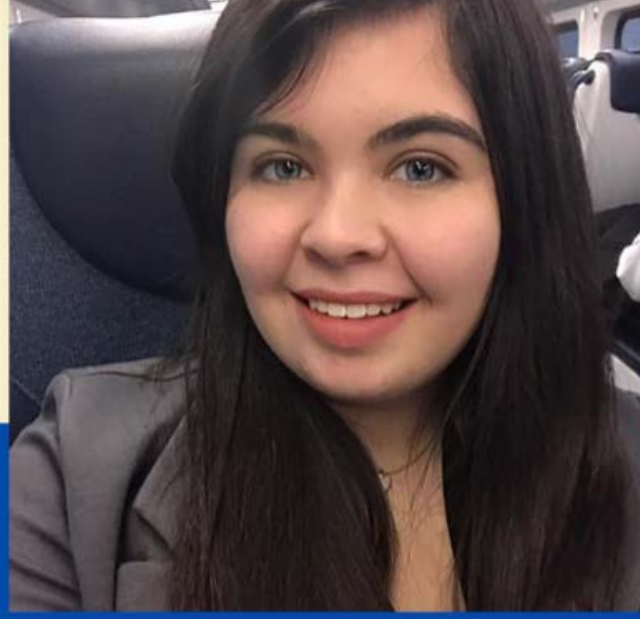

## Gabriella (Gaby) Lozano

Psychology Major | Women & Gender Studies Minor  
Honors: Psi Chi, Phi Beta Kappa, and Golden Key

**Favorite professor:** Out of all the wonderful people I've met and opportunities I've received through the psych department, I will miss Dr. Chung the most. Her consistent support, empathy, and kindness has helped me recognize my potential and believe in my ability to create positive change in the world. Joining the REACH Lab has been one of the best decisions I've made at TCNJ, and it's all due to Dr. Chung and her natural ability to inspire and uplift others. I am beyond grateful to have been introduced to such incredible people through the TCNJ psych department!

## **Meagan McDowell**

Psychology Major | Honors: Psi Chi

Favorite memory: My favorite memories are all the crazy times we've had in lab. From bonding events to hanging out with snacks before class in the lab room, we always have a lot of fun.

## **Emily McMahon**

Psychology Major | Criminology Minor

Honors: Psi Chi, Omicron Delta Kappa, Alpha Phi Sigma, Order of Omega

Favorite memory: My favorite memories are conducting interviews through the RRR lab with Dr. Feiring and my bi-weekly meetings with Dr. Chung to discuss my senior internship experience.

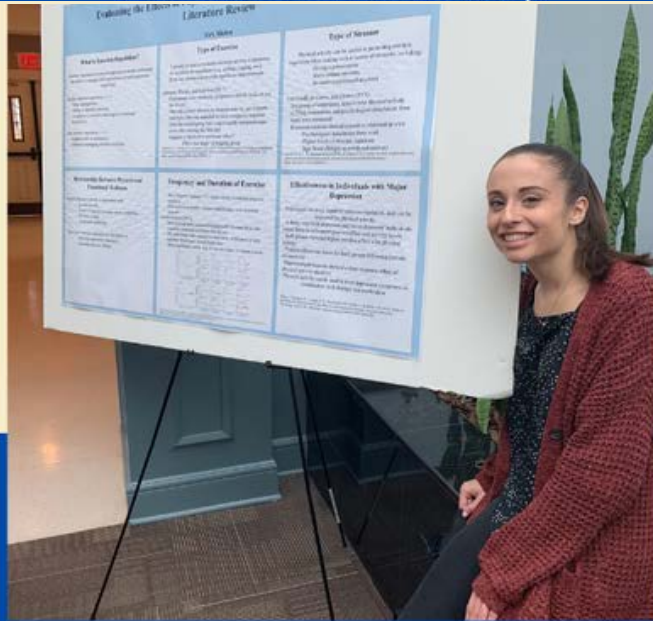

## Shaun Meyers

Psychology & Anthropology Major | Criminology Minor  
Honors: Psi Chi, Phi Beta Kappa, Mandara Scholarship Recipient

**Favorite memory:** My favorite memories come from General Psych with Dr. Steven Barnhart. I was Open-Options my freshman spring semester when I took his class and I had no idea what I was getting into. To this day, it is still one of my favorite courses I have taken after four years of college. Dr. Barnhart taught with so much passion and the class was incredibly engaging and informative. My favorite memory by far is when he would play guitar for the class before an exam to help ease our nerves. By the end of the semester, I knew I wanted to be a Psychology major and applied my sophomore year. If not for that class, I probably would not be where I am today.

## Alexandra Molan

Psychology Major

**Favorite memory:** Presenting my senior capstone research at COSA, and taking classes with some of my best friends

## Sabrina Nassi

Psychology & Criminology Major | Sociology Minor  
Honors: Psi Chi, Alpha Phi Sigma, Phi Kappa Phi, Dean's List every semester at college

Favorite memory: Loved taking personality theory and history of psychology with Professor Lynn!

## Tara O'Connor

Psychology Major  
Communication Disorders Minor | Honors: Psi Chi

Favorite memory: Professor Barnhart playing guitar and singing to the class before our PSY 101 final

## Ivory O'Neill

Psychology Major

Favorite memory: My favorite memory was meeting with Dr. Ruddy every other week to discuss my internship experiences with Eden Autism. She encouraged me to think critically about my observations and also helped me to consider my future in the field!

## Rachel Ottman

Psychology Major | Specialization in Clinical/Counseling  
Public Health Minor

Favorite professors: I will miss Dr. Kim-Prieto, Dr. Borders, Dr. Barnack-Tavlaris, and Dr. Zamel! They have each played a part in helping me to develop my passions for health psychology, working with children, and advocating for marginalized groups, and have ultimately inspired me to pursue my PsyD in clinical psychology. My experience as a TCNJ Psychology student would not have been the same without their kindness, instruction, and guidance.

## Amanda Paluba

Psychology Major | Business Management Minor

Honors: Psi Chi

Favorite memory: My two internship experiences were the highlights of my college career. Thank you Dr. Borders for being the best supervisor and professor ever!

## Cassidy Peters

Psychology Major

Deaf Studies & Communication Disorders Minor

Favorite memory: My favorite memories were participating in MUSE and conducting research in the Cognitive Development Lab with Dr. Stahl!

## **Dominique Pisani**

Psychology Major | Marketing & Management Minor

Favorite memory: I will be forever grateful for the close bond that I have with others in the department!

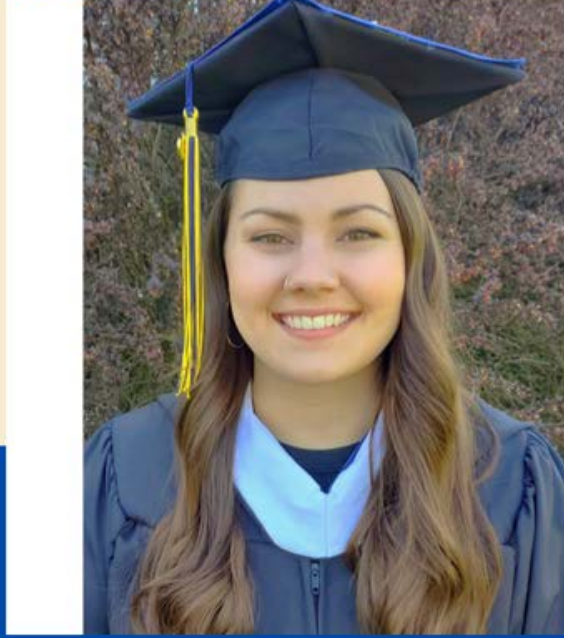

## **Kearlyn Reeves**

Psychology Major | Specialization in Clinical/Counseling

Favorite professors: I want to thank Dr. Kirnan, Dr. Zamel, Dr. Ruddy, and Dr. Onyewuenyi for being SO supportive and helpful!! I will keep the advice that you shared with me on my next journey into my career!!

I also want to thank the psychology department for the many opportunities and encouragement you gave me as well! You will all be missed!!

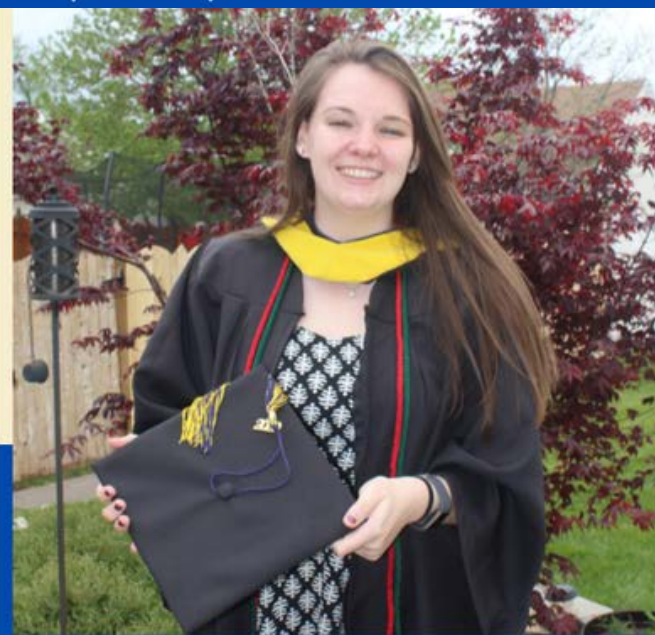

## Julia Richards

Psychology Major

Honors: Psi Chi, Phi Kappa Phi

**Favorite memory:** My favorite experience in the TCNJ psychology department is meeting Dr. Chung. She is a phenomenal professor, mentor, and human. She changed my entire experience for the better and inspired my future career in counseling.

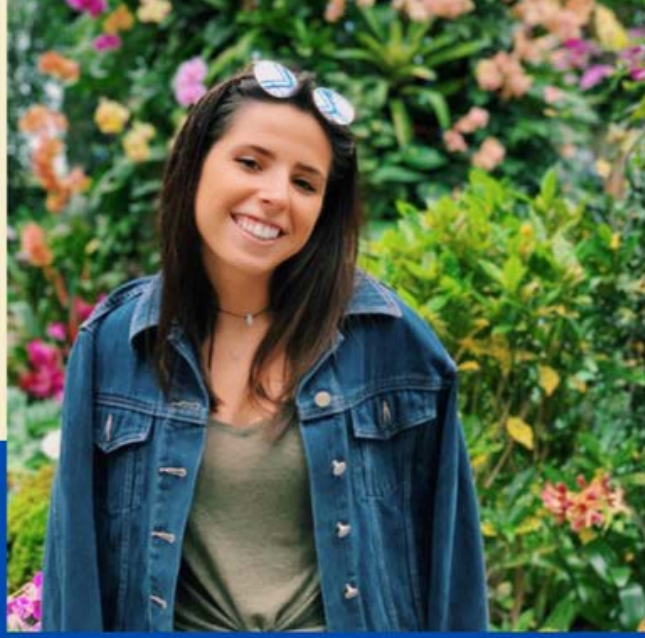

## Jessica Robinson

Psychology & Biology Major

**Favorite memory:** The best course I took in the Psychology Department was PSY 390 in the ERP Lab. This lab gave me so much hand on experience I would not have gotten if I did not join.

## **Adrianna Rodeiro**

Psychology Major | Specialization in I/O  
Human Resources Management Minor

Favorite memory: Being a part of Dr. Dahling's  
Organizational Psychology Lab

## **Jacqueline Rogan**

Special Education and Psychology Major

Favorite memory: Learning to become a future  
psychologist and interacting with so many awesome  
psychology professors

## Liane Amy Rose Russell

Psychology Major | Women's and Gender Studies Minor  
Honors: Psi Chi, Phi Beta Kappa, and Alpha Psi Omega

Favorite memory: The TCNJ Psychology Department has taught me so much about myself. Thanks to classes with Professor Hohmuth, I learned just how much I really enjoyed psychology. The stories he told in his classes interested me so much that I took all three of the classes he offered.

## Vanessa Rutigliano

Psychology Major  
English & Business Management Minor

Favorite memory: One of my favorite psychology-related memories was working hard with my partner on our PSY299 project. It was a great experience being able to see our semester's work come to fruition as we presented our research study at CoSA! I will miss all of the collaborative, discussion-based classes in the Psychology Department!

## Devin Ruth

Psychology Major | Marketing & Communication Studies Minor  
 Honors: Psi Chi, Lambda Pi Eta, Order of Omega, Senior Honors Thesis

Favorite memory: My favorite #TCNJPsychology memory was performing a choreographed dance with my roommate to act out a positive correlation in Dr. Herres' Stats class. I also really enjoyed being a member of the Organizational Psychology lab, and getting to complete my Seniors Honors Thesis with Dr. Dahling.

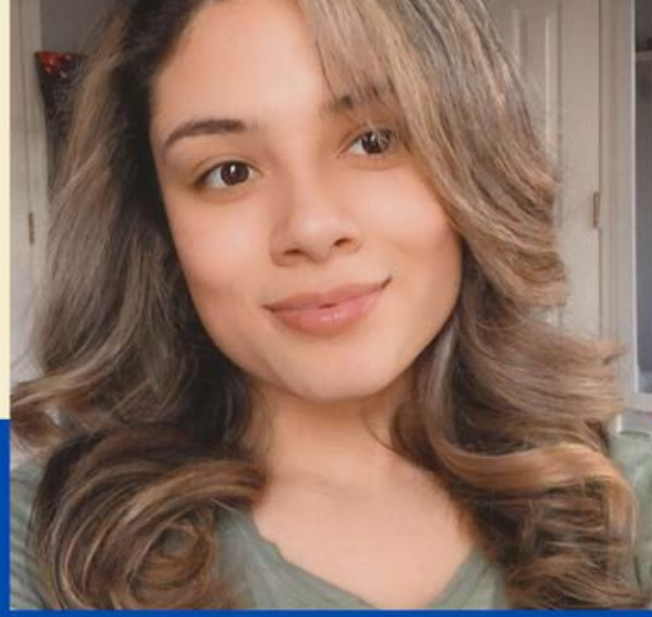

## Krista SanGiacomo

Psychology Major | Deaf Studies Minor

Favorite memory: I am incredibly grateful for all the opportunities and knowledge that the TCNJ Psychology Department has given me. I have been especially touched by the advice, insight and support from Dr. Chung and Dr. Ruddy through my internship and research labs. My favorite memory was researching Deaf representation and adoption in children's literature with Dr. Ruddy. I will also miss studying in the beautiful SSB atrium !

## **Stephanie Torres**

Psychology Major | Criminology Minor

Favorite professor: I will miss the amazing psychology professor that have helped me and guided me throughout these two years, especially Dr. Kim and Dr. Ruddy.

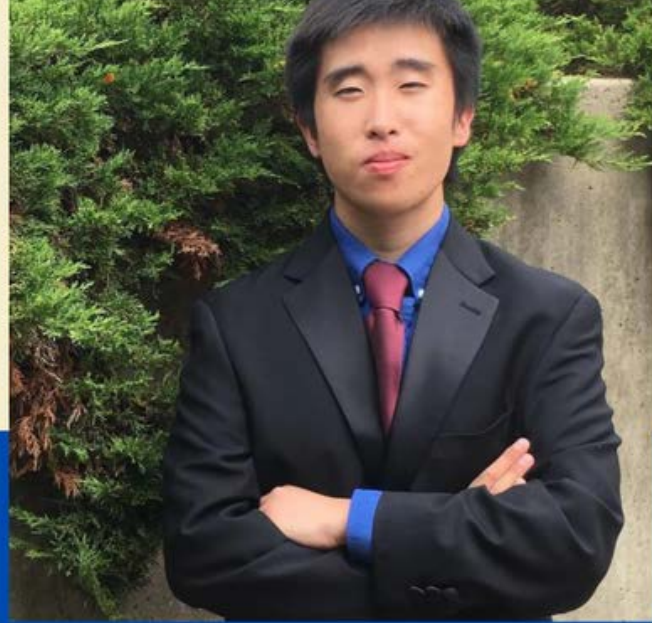

## **Julianna Tragale**

Elementary Education & Psychology Major  
Specialization in Developmental Psychology

Favorite memory: I will miss Dr. Graham's social and emotional development lab the most!

## Alvin Tran

Psychology Major | Specialization in Clinical/Counseling | Political Science Minor  
Honors: Summa Cum Laude, Phi Beta Kappa, Psi Chi, Omicron Delta Kappa

Favorite memory: What I will miss most about the Psychology Department at TCNJ is being a part of Dr. Joanna Herres's Reactivity Lab.

## Tanushi Upadhyay

Psychology Major | Biology & Chemistry minors  
Honors: Honors College, Phi Beta Kappa, Psi Chi, Honors Thesis

Favorite memory: Hanging out with my fellow psychology majors and professors at the Dean's List Ice Cream Social at Redberry!

## Madison Ustupski

Early Childhood/Special Education & Psychology Major

Favorite memory: Being able to take classes with my best friends and being in Dr. Crawford's political psychology lab. I can't thank Dr. Crawford enough for everything he has done for me! Go Tom TV!

## Daniela Verdugo

Psychology Major | Specialization in Clinical/Counseling

Honors: Psi Chi

Favorite memory: My favorite memory from the TCNJ Department was doing intensive research in the Infant Language Development lab with Dr. Vivona, who was always so supportive and made lab so enjoyable every step of the way!

Another favorite memory of mine was discovering my passion for Speech-Language Pathology during my first internship at Eden Autism School. I have the TCNJ Psychology Department to thank for connecting me to this internship and helping me pave the way for graduate school.

## Gianna Vitetta

Elementary Education & Psychology Major

Favorite professor: I loved learning about Abnormal Psychology with Arthur Hohmuth. You can tell he is truly passionate about what he teaches and is so knowledgeable. It was so pleasant to sit in class and listen to his words of wisdom as he shared his personal experiences. His class was a learning experience like no other and I'm so lucky I had the chance to have him as a professor!

## Larissa Woods

Elementary Education & Psychology Major

Favorite memory: Presenting research from the Cognitive Development Lab at the International Congress of Infant Studies in Philly, Summer of 2018.

# Faculty Remarks

This semester you've learned lessons far beyond the scope of any syllabus. Your perseverance is remarkable and I know your future will be bright. Congratulations and we miss you all.

---

DR. JESSICA BARNACK-TAVLARIS

I have enjoyed getting to know so many of you these past few years. I feel honored to be able to work with such a great group of young people! I'm disappointed that I can't give you a hug and say hi to your parents at graduation. But, know that I'm rooting for you from afar and I can't wait to see where life takes you!

---

DR. TAMRA BIRETA

Congratulations to all of our psychology graduates. I'm sorry we won't be able to celebrate in person this month, but know that I am thinking of you and wishing you all the best in your future beyond TCNJ.

---

DR. ASHLEY BORDERS

May you feel as grateful, empowered, and glorious as I did when a friend treated me to Hamilton! My family and I wish you health, happiness, and laughter today and all days. Thank you for your sweat, tears, inspiring ideas, and care for one another. We appreciate you sharing your life with us.

---

DR. HE LEN CHUNG

Congratulations and best wishes to our Psychology graduates of 2020! I hope to see you all when we can celebrate your accomplishments in person!

DR. JARRET CRAWFORD

I'm so proud of your accomplishments and I can't wait to see what you achieve as you move on with your lives after TCNJ. We'll see you back here sometime next year for a proper ceremony with the awkward gowns and silly hats that you deserve!

DR. JASON DAHLING

As you tackle the adventures beyond life at TCNJ--may you make wise choices. Consider the data. Consider your heart. Consider alternatives. Don't forget going down one path doesn't mean you can't try others! Congratulations Class of 2020 on earning your Bachelors Degree!

DR. CANDICE FEIRING

Congratulations Psychology Graduates! Wishing that brighter opportunities come your way and you achieve success in all of them.

DR. JAMES GRAHAM

Graduating is always a tremendous accomplishment, but this year, you demonstrated astonishing courage and tenacity. I am so proud of you.  
Congratulations!

DR. LISA GRIMM

Congratulations! You should feel very proud of all you have accomplished – especially overcoming the challenge of finishing requirements for your psychology degree remotely. I'm sorry we cannot celebrate in person at this time, but I look forward to your visit back to TCNJ soon!

DR. JOANNA HERRES

Not a great year to be graduating, but It will get better. My youngest son graduated TCNJ in 2008, the beginning of the great recession. Had to live at home for some years, while working retail jobs, but now he is doing just fine. You all may have some rough patches, but will mostly be fine as well. Wish I could see you graduate.

DR. ART HOHMUTH

Congratulations Psychology Class of 2020! I hope your journey at TCNJ was filled with great memories. Best wishes and good luck in the next chapter of your lives!

JASMINE KELLY

Congratulations Class of 2020!  
You are all amazing, and I'm  
sorry to not be able to celebrate  
your achievement in person!

---

DR. CHU KIM-PRIETO

Congratulations! We think  
you are PAWSitively  
awesome!

---

DR. JEAN KIRNAN

Congratulations Psychology  
graduates! You made it through a  
most harrowing semester, and  
you should be proud. Best  
wishes!

---

DR. ANDY LEYNES

Warmest congratulations, Psychology  
graduates, class of 2020!  
Félicitations!!  
Wishing you much success,  
happiness, and good health!

---

DR. MARGARET MARTINETTI

Congratulations on your  
graduation and best wishes for  
your next adventure!

---

KRISTY MCCADDEN

Congratulations to the class of 2020! As your time at TCNJ comes to an end remember who you were when you first stepped foot on campus, how your time at TCNJ both shaped who you are now and prepared you for who you are still yet to become. As you all have demonstrated during these perilous times, nothing can stop you from reaching your goals!

---

DR. ADAURENNAYA C. ONYEWUENYI

Congratulations, Seniors!  
We will miss you!

---

DR. BETSY RUDDY

Greetings from my COVID-19  
bunker! I've got my kids, guitars,  
and fish, but I'll truly miss  
celebrating your graduation.  
Congratulations and best wishes!

---

DR. JOHN RUSCIO

Congratulations, Class of 2020! We are so proud of who you are and who you will become!

---

DR. AIMEE STAHL

As you finish your college career, you step into a changed and changing world. The months ahead will be challenging, but your creativity, intelligence, and enthusiasm make me hopeful that you will help us all build a better world.

---

DR. SHAUN WILEY

Commencement means beginning. You are beginning a new phase of life, a new journey with new challenges, new joys. You are moving into the world in new ways, with new knowledge, new skills. The world needs you wonderful people now more than ever. Go out there and make it better. We know you can!

---

DR. JEANINE VIVONA
